

## How to find us

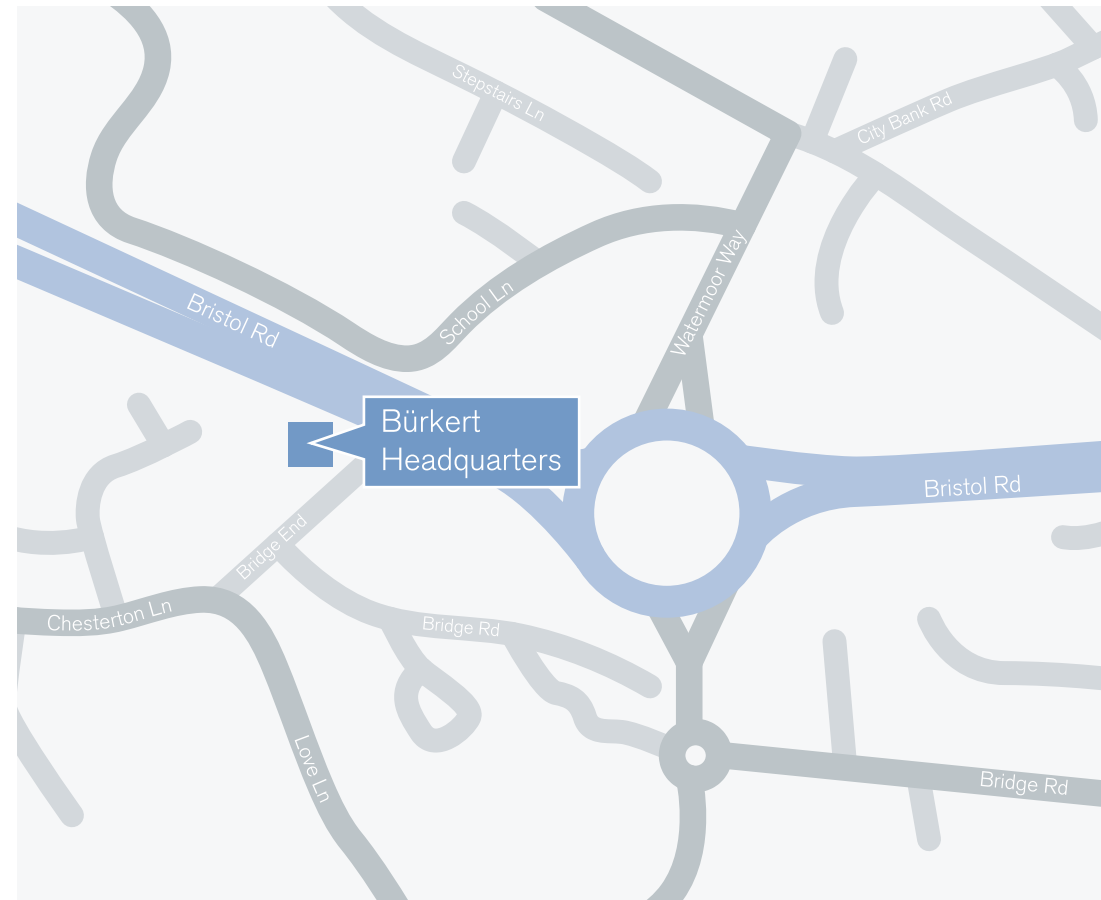

The Cirencester headquarters are convenient to locate, being easy to access by car and train. The location boasts impressive production facilities, a comprehensive training room and parking facilities to ensure that customers and attendees of Bürkert's many process training courses will be able to park conveniently, adjacent to the new headquarters.

### About Bürkert

Bürkert Fluid Control Systems is one of the leading manufacturers of control and measuring systems for fluids and gases. The products have a wide variety of applications and are used by breweries and laboratories as well as in medical engineering and space technology. The company employs over 2,500 people and has a comprehensive network of branches in 35 branches world-wide.

#### Car - From the North

Leave the M5 at junction 11a, on to the A417, following the signs for Cirencester down to the A429 and then on to the Bristol Road to the offices.

#### Car - From the South

Leave the M4 at Junction 15 on to the A49 following the signs for Cirencester, on to the A429 Bristol road to the offices.

#### Train

Nearest station is in Kemble. Follow signs for Cirencester to the A429 and then on to the Bristol Road to the offices.

#### Advice for SatNav users

The postal code GL7 1QY is new. When travelling to Bürkert UK please enter Bridge End (which is just off Love Lane), Cirencester as this gives a more accurate location. Bürkert is situated at the bottom of Bridge End on the left hand side.
